 - EX Instead of making runs or three of a **kind**, each player tries to make 'sets' in every every card is the same, or every card is completely different.
 - ▼ EXCNT
 - EX First, for combinations, score as follows: sets: three of a kind 2 points, four of a **kind** = 8 points suit-sequences: of three 3, four 4, five 6, six 12 points Next, total your score for combinations and multiply this by the total number of cards drawn by your opponent.
